Subject: Senior Center Hosts Basket Making Class

Basket weaving is one of the widest spread crafts in the history of any human civilization. The Traverse Area Basketry Guild will lead a basket making class at the Senior Center in Traverse City on Tuesday, April 19, at 4 p.m. Participants may create a spring nest or tension tray basket.

Basket weaving is one of the widest spread crafts in the history of human civilization. Decorative and useful, they serve many purposes. "Creating your own spring nest or tension tray can be a great experience," said Senior Center Program Coordinator Ericca Hovie, "and we are looking forward to seeing some inspired outcomes."

The Traverse Area Basketry Guild hosts monthly meetings at the Senior Center. Meetings are open to the public, and the group welcomes anyone who enjoys weaving baskets. Advance registration for the April 19 event is required, and cost is \$3 per person. For more information, please call 231-922-4911.
