

Dental Clinics North

– A partnership of local Health Departments –

The Grand Traverse County Health Department is one of ten locations for Dental Clinics North. Dental health services are provided to children and adults who have Medicaid, Delta Dental (Healthy Kits Dental and MIChild) or Northern Dental Plan.

SERVICES INCLUDE:

- Oral Exam/Cleaning
- Fluoride Treatment
- Fillings
- Education
- Other Dental Procedures

Northern Dental Plan

Northern Dental Plan is a membership program that provides dental services at a reduced fee for people without dental insurance. If you are eligible, you'll receive a free initial visit with a participating dentist, including x-rays and an exam, as well as reduced rates for all treatments. Membership in the Northern Dental Plan is \$50.00 per person.

To be eligible for the program, you must:

- Have no other dental insurance
- Fall within the following income guidelines:

FAMILY SIZE	MAXIMUM INCOME
1	\$21,660
2	\$29,140
3	\$36,620
4	\$44,100
5	\$51,580

(\$7,480 for each additional person)

If someone in your household is a WIC or Medicaid recipient, or is eligible for food stamps, you meet the income guidelines. If you have a current MIHealth card, you are eligible to receive care at Northern Dental Plan reduced fees without paying the membership fee.

To participate in the program, you must:

- Fill out an application, available at all Dental Clinics North locations as well as participating health departments and private dentist's offices.
- Or call Dental Clinics North to register with a credit card over the phone at: 877-321-7070.
- You can also go to www.gtchd.org and click on Do I Qualify to print out an application.
- Once your application and membership fee have been received and processed, your card will be mailed to you. You will receive your membership card by mail within 2-3 weeks.
- Then just call Dental Clinics North or the Grand Traverse County Health Department to schedule an appointment.
