BENZIE COUNTY CENTRAL SCHOOLS PROPOSAL

Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 2.2365 mills are only available to be levied to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Benzie County Central Schools, Benzie, Manistee, Grand Traverse and Wexford Counties, Michigan, be renewed by 20.2365 mills (\$20.2365 on each \$1,000 of taxable valuation) for a period of 5 years, 2020 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2020 is approximately \$7,545,483 (this is a renewal of millage that will expire with the 2019 tax levy)?

FOREST AREA COMMUNITY SCHOOLS PROPOSAL

Forest Area Community Schools Bonding Proposal

Shall Forest Area Community Schools, Kalkaska and Grand Traverse Counties, Michigan, borrow the sum of not to exceed Four Million One Hundred Eighty Thousand Dollars (\$4,180,000) and issue its general obligation unlimited tax bonds therefore, in one or more series, for the purpose of:

- erecting, furnishing and equipping additions to school buildings; remodeling, equipping and re-equipping and furnishing and refurbishing school buildings; erecting, furnishing and equipping a new concession stand at the high/middle school; purchasing school buses; and preparing, developing and improving athletic fields and facilities and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2019 is 1.80 mills (\$1.80 on each \$1,000 of taxable valuation) for a 1.25 mills net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.61 mills (\$1.61 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$160,000. The total amount of qualified loans currently outstanding is \$0. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
