The Upside Of Aging

Caring for those who cared for you, since 1975

AARP DRIVER SAFETY COURSE OFFERED

Commission on Aging will again host the AARP Smart Driver Course™. AARP Driver Safety is the nation's first and largest refresher course designed specifically for drivers aged 50 and older.

Classroom instruction is scheduled for May 10th and 11th from 9:00 a.m. to 1:00 p.m. This is a two-day class and participants must attend both days to receive a certificate. Classes will take place in the lower conference room of the Grand Traverse County Commission on Aging. There is a fee of \$15 for AARP members and \$20 for non-AARP members to take the course.

Several major auto insurance carriers in Michigan offer discounts to graduates of the program. Interested persons should contact their automobile insurance carrier to see if they offer such a discount.

Call us at 231-922-4688 to schedule your class today.

Thank You!

To Precision Plumbing and Heating for their generous donation OF \$1,000 to help seniors in need.

Precision Cares is a program started by the employees of Precision Plumbing and Heating. Each month their employees pick a non-profit organization to donate to, and their employees donate all the funds contributed. This month, the Commission is the recipient of this kind-hearted program.

Thanks again to the employees of Precision Plumbing and Heating and the Precision Cares Program!
