FOR IMMEDIATE RELEASE

Traverse City.

WHAT: The North 0.25 mile of the seasonal portion of Heniser Road closed since November 26, 2014 has been reopened.

WHERE: From North Long Lake Road/Heather Ridge intersection south for 0.25 miles.

WHEN: Immediately.

WHY: Crews raised the grade above the water level about 2' and added new gravel.

We waited for water levels to recede to the lowest level possible.

IMPACT TO TRAFFIC: Traffic is now allowed in the described area.

Traffic fines are doubled in work areas. Motorists are asked to slow down and give our road workers a brake!
