**Subject: iPad Tips and Tricks**

**Traverse City** – April 3, 2019 marked the ninth anniversary of the iPad. The iPad was selected by *Time* magazine as one of the 50 Best Inventions of the Year 2010. The first generation established the design precedents, some of which have persisted through all of the models, but with the newer technology today comes a slightly different learning curve.

If you have received a new iPad and everything is different, join Nancy Gonzalez on Thursday, April 25, 10 a.m., at the Traverse City Senior Center, 801 E. Front Street, as she offers basic tips and tricks in the use of your iPad. In the second half of the session, she will answer questions.

All abilities are welcome to join the informal class, but participants must bring their personal iPads. The class is \$5 per person, and advance registration is required.

For more information and to register, email [dmikowski@grandtraverse.org](mailto:dmikowski@grandtraverse.org) or call the program registration number at 231-922-2080.
